**Marrow Donor Drive Slated for Friday, February 29**  
Join the National Bone Marrow Donor Program Registry

**Twin Falls, ID (February 27, 2008)** – Every day more than 6,000 men, women and children desperately search the National Marrow Donor Program Registry for a marrow match. You could be the one to save a life. A Marrow Donor Drive will be held on Friday, February 29, from 3 – 8 p.m. at St. Luke's MSTI – Twin Falls (656 Addison Avenue West). To join, you only need to meet the following criteria:

- Be between the ages of 18 and 60.
- Be willing to donate to any patient in need.
- Meet the health guidelines.

Right now patients of every racial and ethnic background are in urgent need of a marrow donor in order to survive. The best chance of a marrow match is between people who share the same heritage. Donors with diverse racial or ethnic backgrounds are especially needed.

For more information call Mark Allen at 800-845-4624 or visit [marrow.org](http://marrow.org).
